DEPRESSION IT ATTACKS, BLINDSIDES, YOU PUSH, YOU KICK.

This song was written to put music to a personal interpretation of Depression. A great deal of time was spent trying to get a good tone for an electric acoustic and test out some new Sony software.

Not sure where software is, but the song remains. It starts out with some chicken picking warmups and the ending was supposed to be an overdub but included it as an ending.

It was just a riff sitting around called 'Sad to Mad.'
